

Electrical Part for Forklifts

Forklift Electrical Parts - Lift trucks can be particularly labeled for use in dangerous places. A marked truck indicates the design has met the least requirements of ANSI/UL 558 meant for engine powered lift trucks or ANSI/UL 583 meant for electric lift trucks for the type of label placed.

Applications for marked lift trucks could be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Type Designations, Areas of Use, and Maintenance and Operation. Ask your local insurance carrier and Fire Marshall for further information on the permitted uses of industrial powered forklifts in your application.

If the forklift has been proven to meet the outlined criteria, the following labels could be attached. A marked truck will have the model designation put on the lift truck nameplate and will have one of the following labels put.
